FIRST CAUSE OF ACTION
(VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT)

34. Plaintiff realleges and incorporates by reference all allegations set forth in this Complaint as if fully set forth herein.

35. Plaintiff is substantially limited in the life activity of both walking and body motion range and thus has a disability within the meaning of the ADA. As a direct and proximate result of Plaintiff’s disability, Plaintiff uses a wheelchair for mobility, and also has restricted use of arms and hands.

36. The ADA imposes joint and several liability on both the property owner and lessee of a public accommodation. 28 C.F.R. 36.201(b).

37. Under the ADA, both the property owner and lessee are liable to the Plaintiff, and neither can escape liability by transferring their obligations to the other by contract (i.e., lease agreement). 28 C.F.R. 36.201(b).

38. Defendants have and continue to subject Plaintiff to disparate treatment by denying Plaintiff full and equal opportunity to use their place of public accommodation

all because Plaintiff is disabled. Defendants' policies and practices have and continue to subject Plaintiff to disparate treatment and disparate impact.

39. By failing to comply with the law in effect for decades, Defendants have articulated to disabled persons such as the Plaintiff that they are not welcome, objectionable, and not desired as patrons of their public accommodation.

40. Defendants have discriminated against the Plaintiff by designing and/or constructing a building, facility and place of public accommodation that is not readily accessible to and usable by the disabled Plaintiff and not fully compliant with the 1991 Standards or the 2010 Standards. See 28 C.F.R. § 36.401(A)(1) and 42 U.S.C. §12183(a)(1).

41. The National Grid premises are not fully accessible and fail to provide an integrated and equal setting for people with disabilities, in violation of 42 U.S.C. §12182(b)(1)(A) and 28 C.F.R. § 36.203.

42. Defendants failed to make alterations accessible to the maximum extent feasible in violation of 28 C.F.R. §§ 36.402 and 36.406 and 42 U.S.C. §12183(a)(2).

43. The paths of travel to the altered primary function areas were not made accessible in violation of 28 C.F.R. § 36.403.

44. Defendants failed to make all readily achievable accommodations and modifications to remove barriers to access in violation of 28 C.F.R. § 36.304. It would be readily achievable to make Defendants' place of public accommodation fully accessible.

45. By failing to remove the barriers to access where it is readily achievable to do so, Defendants have discriminated against Plaintiff on the basis of disability in

violation of § 302(a) and 302(b)(2)(A)(iv) of the ADA, 42 U.S.C. § 12182(a), (b)(2)(A)(iv), and 28 C.F.R. § 36.304.

46. In the alternative, Defendants have violated the ADA by failing to provide Plaintiff with reasonable alternatives to barrier removal as required by 28 C.F.R. § 36.305.

47. Defendants' failure to remove the barriers to access constitutes a pattern and practice of disability discrimination in violation of 42 U.S.C. § 12181 *et. seq.*, and 28 C.F.R § 36.101 *et. seq.*

48. Defendants have and continue to discriminate against Plaintiff in violation of the ADA by failing to maintain and/or create a wheelchair accessible public accommodation.

SECOND CAUSE OF ACTION
(VIOLATIONS OF THE NEW YORK STATE HUMAN RIGHTS LAW)

49. Plaintiff realleges and incorporates by reference all allegations set forth in this Complaint as if fully set forth herein.

50. Plaintiff has various medical conditions that separately and together prevent the exercise of normal bodily functions in Plaintiff; in particular, the life activities of both walking and body motion range. Plaintiff therefore has from a disability within the meaning of the Executive Law § 296(21).

51. In 2019, the New York State legislature enacted legislation that provides effective immediately that the New York State Human Rights Law shall be "construed liberally for the accomplishment of the remedial purposes thereof, regardless of whether federal civil rights laws, including those laws with provisions worded comparably to the

provisions of this article, have been so construed”. See Executive Law § 300 [effective date: August 12, 2019].

52. By amending the Executive Law § 300 to mirror the text of the New York City Local Civil Rights Restoration Act of 2005 (Local Law 85 of 2005), the New York State legislature confirmed the legislative intent to abolish parallel construction between the New York State Human Rights Law and related Federal anti-discrimination laws.

53. Defendants have and continue to subject Plaintiff to disparate treatment by denying Plaintiff equal opportunity to use their place of public accommodation all because Plaintiff is disabled.

54. Defendants discriminated against Plaintiff in violation of NYSHRL (Executive Law § 296(2)), by maintaining and/or creating an inaccessible place of public accommodation. Each of the Defendants have aided and abetted others in committing disability discrimination.

55. Defendants have failed to make all readily achievable accommodations and modifications to remove barriers to access in violation of NYSHRL (Executive Law § 296(2)(c)(iii)).

56. In the alternative, Defendants have failed to provide Plaintiff with reasonable alternatives to barrier removal as required in violation of NYSHRL (Executive Law § 296(2)(c)(iv)).

57. It would be readily achievable to make Defendants’ place of public accommodation fully accessible.

58. It would not impose an undue hardship or undue burden on Defendants to make their place of public accommodation fully accessible.

59. As a direct and proximate result of Defendants' unlawful discrimination in violation of NYSHRL, Plaintiff has suffered, and continues to suffer emotional distress, including but not limited to humiliation, embarrassment, stress, and anxiety.

60. Plaintiff has suffered and will continue to suffer damages in an amount to be determined at trial.

THIRD CAUSE OF ACTION
(VIOLATIONS OF THE NEW YORK CITY HUMAN RIGHTS LAW)

61. Plaintiff realleges and incorporates by reference all allegations set forth in this Complaint as if fully set forth herein.

62. Plaintiff has various medical conditions that separately and together, impair Plaintiff's bodily systems - in particular, the life activity of both walking and body motion range - and thus Plaintiff has a disability within the meaning of the NYCHRL (Administrative Code § 8-102(16)).

63. Defendants have and continue to subject Plaintiff to disparate treatment and disparate impact by directly and indirectly refusing, withholding, and denying the accommodations, advantages, facilities, and privileges of their place of public accommodation all because of disability in violation of the NYCHRL (Administrative Code § 8-107(4)). Each of the Defendants have aided and abetted others in committing disability discrimination.

64. Defendants have and continue to commit disability discrimination in violation of the Administrative Code (inclusive of § 8-107(4)) because of the violations of the ADA as alleged herein.

65. Defendants have discriminated, and continue to discriminate, against Plaintiff in violation of the NYCHRL (Administrative Code § 8-107(4)) by designing, creating and/or maintaining an inaccessible commercial facility/space.

66. Defendants have subjected, and continue to subject, Plaintiff to disparate treatment by directly and indirectly refusing, withholding, and denying the accommodations, advantages, facilities, and privileges of their commercial facility/space all because of disability in violation of the NYCHRL (Administrative Code § 8-107(4)).

67. Defendants' policies and procedures inclusive of the policies of refusing to expend funds to design, create and/or maintain an accessible commercial facility/space is a discriminatory practice in violation of NYCHRL (Administrative Code § 8-107(4)).

68. In violation of the NYCHRL (Administrative Code § 8-107(6)), Defendants have and continue to, aid and abet, incite, compel, or coerce each other in each of the other Defendants' attempts to, and in their acts of directly and indirectly refusing, withholding, and denying the accommodations, advantages, facilities, and privileges of their commercial facility/space and the place of public accommodation therein, all because of disability, as well as other acts in violation of the NYCHRL.

69. Defendants' conduct also violates the NYCHRL, Administrative Code 8-107 (17), which states that "an unlawful discriminatory practice . . . is established . . . [when plaintiff] demonstrates that a policy or practice of a covered entity or a group of policies or practices of a covered entity results in a disparate impact to the detriment of any group protected by the provisions of this chapter."

70. Because Defendants' public accommodation is not readily accessible and usable by people with disabilities, Defendants have demonstrated a policy or practice that has a disproportionately negative impact on people with disabilities (including Plaintiff).

71. Defendants' conduct constitutes an ongoing and continuous violation of the NYCHRL. Unless Defendants are enjoined from further violations, Plaintiff will continue to suffer injuries for which there is no adequate remedy at law. In particular, Plaintiff will suffer irreparable harm by being denied the accommodations, advantages, facilities, or privileges of the Defendants' public accommodation.

72. As a direct and proximate result of Defendants' unlawful discrimination in violation of the NYCHRL, Plaintiff has suffered, and continues to suffer emotional distress, including but not limited to humiliation, stress, and embarrassment.

73. Upon information and belief, Defendants' long-standing refusal to make their place of public accommodation fully accessible was deliberate, calculated, egregious, and undertaken with reckless disregard to Plaintiff's rights under the NYCHRL.

74. By failing to comply with the law in effect for decades, Defendants have articulated to disabled persons such as the Plaintiff that they are not welcome, objectionable, and not desired as patrons of their public accommodation.

75. Defendants engaged in discrimination with willful or wanton negligence, and/or recklessness, and/or a conscious disregard of the rights of others and/or conduct so reckless as to amount to such disregard for which Plaintiff is entitled to an award of punitive damages pursuant to NYCHRL (Administrative Code § 8-502).

76. By refusing to make their place of public accommodation accessible, Defendants have unlawfully profited from their discriminatory conduct by collecting revenue from a non-compliant space and pocketing the money that they should have lawfully expended to pay for a fully compliant and accessible space. Defendants' unlawful profits plus interest must be disgorged.

77. Plaintiff has suffered and will continue to suffer damages in an amount to be determined at trial.

FOURTH CAUSE OF ACTION
(VIOLATIONS OF THE NEW YORK STATE CIVIL RIGHTS LAW)

78. Plaintiff realleges and incorporates by reference all allegations set forth in this Complaint as if fully set forth herein.

79. Defendants discriminated against Plaintiff pursuant to New York State Executive Law.

80. Consequently, Plaintiff is entitled to recover the monetary penalty prescribed by Civil Rights Law §§ 40-c and 40-d for each and every violation.

81. Notice of this action has been served upon the Attorney General as required by Civil Rights Law § 40-d.

FIFTH CAUSE OF ACTION
(COMMON LAW NEGLIGENCE)

82. Plaintiff realleges and incorporates by reference all allegations set forth in this Complaint as if fully set forth herein.

83. Defendants negligently designed, constructed, operated, repaired, and maintained their place of public accommodation located at 345 Jay Street in a manner that has rendered their place of public accommodation unsafe to the disabled Plaintiff.

84. At all relevant times, Defendants, who hold their property open to the public, have had a duty to patrons such as Plaintiff to design, construct, operate, repair, and maintain their place of public accommodation located at 345 Jay Street in a reasonably safe condition.

85. Defendants breached their duty by negligently designing, constructing, operating, repairing, and maintaining their place of public accommodation located at 345 Jay Street in a manner that has unreasonably endangered the Plaintiff's physical safety and caused bodily injury to Plaintiff.

86. Defendants' failure to design, construct, operate, repair, and maintain their place of public accommodation located at 345 Jay Street in a manner that is safe to the disabled Plaintiff has proximately caused Plaintiff to suffer bodily injury.

87. Defendants have had actual and constructive notice that their place of public accommodation located at 345 Jay Street is not safe to people with disabilities.

88. As a direct result of Defendants' negligence, Plaintiff has suffered and continues to suffer a bodily injury in an amount to be determined at trial.

INJUNCTIVE RELIEF

89. Plaintiff will continue to experience unlawful discrimination because of Defendants' failure to comply with the above-mentioned laws. Therefore, injunctive relief is necessary to order Defendants to alter and modify their place of public accommodation and their operations, policies, practices, and procedures.

90. Injunctive relief is also necessary to make Defendants' facilities readily accessible to and usable by Plaintiff in accordance with the above-mentioned laws.

91. Injunctive relief is further necessary to order Defendants to provide auxiliary aids or services, modification of their policies, and/or provision of alternative methods, in accordance with the ADA, NYSHRL, and the NYCHRL.

JURY DEMAND

Plaintiff demands a trial by jury on all claims so triable.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff respectfully requests that the Court enter a judgment against the Defendants, jointly and severally, in favor of Plaintiff that contains the following relief:

B. Issue a permanent injunction ordering **Defendants to close and cease all business** until Defendants remove all violations of the ADA, the 1991 Standards or the 2010 Standards, NYSHRL and NYCHRL, including but not limited to the violations set forth above;

C. Retain jurisdiction over the Defendants until the Court is satisfied that the Defendants' unlawful practices, acts and omissions no longer exist and will not reoccur;

D. Award Plaintiff compensatory damages and nominal damages because of Defendants' violations of the NYSHRL and the NYCHRL;

E. Award Plaintiff punitive damages to punish and deter the Defendants for their violations of the NYCHRL;

F. Award Plaintiff the monetary penalties for each violation of the law, per defendant, pursuant to New York State Civil Rights Law §§ 40-c and 40-d;
